

Child Friendly Lord's Prayer

Our Dad in Heaven above:

Let everyone look up to you.
and the area where you are in charge grow.

May what you want happen on earth
as perfectly as it does in Heaven.

Please give to us what we need for today.

Forgive us when we think or do wrong things
just as we don't hold it against those who hurt us.

Guide us away from whatever we might want, but is
unhelpful to us
and protect us from all that is nasty and destructive.

For you are in charge of everything,
you have the power to do it
and you are awesome.

You always were,
you are now
and always will be.

Amen
