

DIOCESE OF SHEFFIELD GRANT APPLICATION

Please read the following guidance notes before completing the form below.

All applications should:

- give a clear explanation of what is proposed and provide detailed costs and budgets
- be relevant to the work of the Church in the Diocese
- answer all questions on the form in such a way as to give a clear and full picture of your intentions
- be typed and submitted by email to grants@sheffield.anglican.org (wherever possible)
- indicate how the project will continue in the future (if appropriate) including a sustainability plan. Our Generous Giving officers can provide help with this.

Grants can be made for:

- initiatives in evangelism, the numerical growth of the Church and fresh expressions of Church
- capital items and building refurbishment
- one-off events and activities which enable engagement with people to promote the Mission of the Church
- one-off and annual costs including costs associated with staff for up to three years

Notes

- Grants will normally be made for up to £5,000 per year.
 - The Committee is willing to consider applications for larger sums, though it will be important for applicants to demonstrate long-term sustainability
 - Contributions towards staffing costs or larger scale projects over three years would be on a decreasing scale
- Projects working with people in their twenties or thirties, families, teenagers or children are particularly invited
- Any part of the Diocese may apply for a grant – parishes, teams, mission partnerships, deaneries, fresh expressions, organisations. This may mean you have to adapt questions with regards to statistics of mission to meet the context you are applying for
- The Grants Committee will take account of the financial strength of the group applying including any reserves held/committed
- Projects in which churches are working in partnership with others are encouraged
- The following examples of eligible projects are given to stimulate ideas – applicants are invited to use their God-given imagination in finding creative ways of growing the 21st Century church:
 - a. start-up funding for a new congregation meeting in a school hall – e.g. musical instruments, projector, initial rent, etc.
 - b. training and equipment needs for a team of children's group leaders for newly improved Sunday groups
 - c. a mix of start-up and staffing costs for a new deanery post for a pioneer fresh expression such as a young adult network church
 - d. start-up and initial running costs for an after-school group
 - e. costs of an evangelistic mission
- Grants are awarded from a limited fund and so awards will reflect this
- It is advisable to consult with the Grants Committee Secretary prior to submission, particularly if you are unsure about the eligibility of your project

Please return the completed form, at the latest by 5pm on the Monday of the week before the committee is due to meet, to: grants@sheffield.anglican.org, or by post to:
