

Expression of Interest form (Diocese of Sheffield)

Thanks so much for registering your interest in participating in this Net Zero Heat project!

Please note that this project is only for churches within the Diocese of Sheffield. If you're not from the Diocese of Sheffield you can fill in [this form](#)

The information you share in this form will be stored by Cheribim in accordance with their Privacy Policy and only be used to contact you about your participation in the project. It will not be shared with anyone outside the project partnership.

If there are any changes to the [Privacy Policy](#) or the way in which your data is used you will be notified and asked for your consent.

* Indicates required question

1. Your name *

2. Your contact email address *

3. Your church - please provide the full name including place (e.g. St. Peter's, Peterborough) *

4. Your role *

About Your Church

- 5. As the project is looking at the impact of interventions towards Net Zero, it would be helpful to know whether this is something your church has started thinking about yet. *
This won't affect your eligibility to participate!

Which of the following best describes your church's engagement with Net Zero so far:

Mark only one oval.

- Have a plan and have started working through it
- Planning what steps we'll take
- Starting to think and talk about it
- Keen / interested, but don't know where to start
- Not something we have capacity for

- 6. Anything else you'd like to let us know about your church and Net Zero?

- 7. This project is looking to find ways to use digital solutions so it would be helpful to understand what digital / online tools - if any - you're already using: *

Does your church use as standard (or for the most part) - please select all which apply

Check all that apply.

- Email
- Digital shared calendar
- Online file sharing
- Online utility bills
- Digital monitoring (e.g. smart meter)

8. Anything else you'd like to let us know about your church's use of digital or technology?

About Your Building

9. Is there WiFi in your church building? *

Mark only one oval.

Yes

No

Unsure

10. In winter, is it likely that your building's **internal** temperature might drop below zero? *

Mark only one oval.

Yes

No

Unsure

11. Anything else you'd like to let us know about your building?

Optional extras!

12. In addition to receiving sensors to track temperature and humidity, *
you can also join:
- workshops on e.g. low energy ways to improve comfort
 - feedback sessions on the digital solutions to help make them more useful and user friendly

Please select the sessions you're interested in:

Check all that apply.

- Winter 2023/24: Workshop + feedback sessions (both)
- Summer 2024: Workshops
- Winter 2024/25: Workshops
- Not interested at the moment

13. Anything else you'd like to let us know about your participation in this project?

Thanks for your interest!

Thanks so much for your time and for registering your interest in participating in the project!
