

Are you passionate about evangelism and mission, and wanting to develop further in these areas?

Then this exciting course is for you! Faith Empowered enables you to develop your knowledge and understanding of evangelism alongside like-minded people. This course allows you to put learning into practice, where you will be encouraged to apply what you've learnt into your context, and engage in sessions specifically focused on planning outreach and mission events.

Over 10 sessions, you and your peers will journey together and support one another through:

- fellowship over a meal
- reflecting on Scripture together
- exploring key themes and thinkers in mission and evangelism
- praying for one another
- engaging in a missional activity
