

# What is in the bag?

- These things can't move on their own
- They all make children happy
- They are all cuddly
- They all have legs

These differences make  
them interesting and  
unique!

Imagine a world where  
there was only one kind  
of flower, or big cat ...  
or teddy!

- Sometimes we might look at others and wish we were like them
- They might be a better runner, funnier, better at writing
- It is our differences that make us unique and special

- It's OK to be inspired by someone but it shouldn't make us feel bad about ourselves!
- Some of our special characteristics might not be as obvious as other people's but they are still important

What does the Bible say?

God made a world full of variety and wonder!

# What does the Bible say?

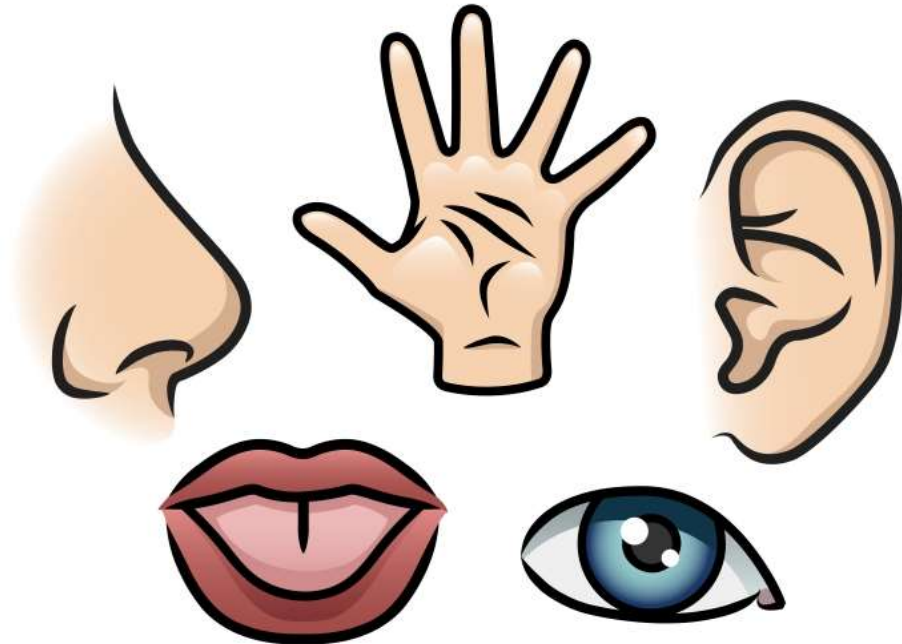

God wants to include everyone!

What does the Bible say?

The Church is like a body!?

Dear God,

Thank you that each of us is different and that we all have characteristics, gifts and talents that make us unique. Please help us to be happy with who we are and to realise each person is special because you love each of us.

Amen.
