

Talking
Jesus

Deanery Lent Course

Conversations with Christians are one of the most important influences in bringing people to faith, and yet many of us are not confident about sharing our faith in Jesus with friends, family and colleagues.

Drawing on encouraging research carried out in 2022, the Talking Jesus course seeks to inspire you to share your faith with confidence and give you practical suggestions to help you be natural and relevant as you talk about Jesus with the people you meet.

There are six encouraging, video-based sessions with short films, inspirational, short testimonies, real-life examples from people who are talking Jesus and the chance to discuss further in groups and to pray and worship together.
